23. [REDACTED] CONSTITUENT Called the district office of Representative George Miller (D., Calif.) and talked to Marge Ross, in his office, with regard to a constituent's search for their son, [REDACTED] a former CIA employee (from August 1975 until October 1975). While we had a forwarding address for the constituent's son as of October 1975, this was of no use to Ms. Ross since there had been contact between father and son in late 1976. I told Ms. Ross that we were terribly sorry not to be of more help. She said that she was appreciative of our efforts and realized that we couldn't help her due to the gap between the missing son's employment with us and the last contact with the father.

24. [REDACTED] LIAISON Called Thomas K. Latimer, Staff Director, House Permanent Select Committee on Intelligence, and left message with Jeanne McNally, his secretary, that he is on the list to receive both classified and unclassified Factbooks, when they are published. I told her that they could expect to receive them in about three weeks.

25. [REDACTED] LIAISON [REDACTED] Acting Legislative Counsel, took me to meet Thomas K. Latimer, Staff Director, House Permanent Select Committee on Intelligence. In addition to several items that [REDACTED] dealt with, the following items were covered:

(a) Mr. Latimer is interested in knowing about all [REDACTED] He was assured that I would pursue this topic, (b) Mr. Latimer's interest in reporting on Somalia/Ethiopia is limited to finished intelligence. This will be satisfied in large part by providing him with an AEGIS run. He is not interested in raw intelligence (disseminations) from DDO, (c) The 15 February 1978 meeting at HPSCI for Representative W. Wyche Fowler (D., Ga.) will cover the Horn substantively and any [REDACTED] Additionally, in the event that Representative Bob Wilson (R., Calif.) attends, he will have questions about any [REDACTED] Mr. Latimer added that both Representatives Fowler and Wilson would probably end up with questioning why CIA is not doing more than it in fact is? and (d) With regard to the Aida Parker pamphlet on CIA's alleged activities in South Africa which Chairman Edward P. Boland (D., Mass.), House Permanent Select Committee on Intelligence, forwarded for our comments, Mr. Latimer indicated that the end of this week would be most acceptable. This extends the suspense date on the reply four working days.
